The directory verifies a listed centre and office-bearer; it does not authorise fundraising. The national committee document is a dated publication, not confirmation of a local project team. Tax and CSR documents concern the named national entity and have conditions.

Original files remain the authority

The following pages are combined reading copies. Combining PDFs does not preserve or validate their original digital signatures. Use the linked issuer originals and the issuer's verification procedure for authenticity checks. No claim of certified-copy status is made.

Still to be supplied: local authorisation/appointment letter, current local committee, membership confirmation and authorised banking/receipt procedure.

The local website and the national website's committee page can change. This pack explicitly dates the committee document rather than claiming that all entries are current today. No institutional endorsement of a sponsor or assurance of tax deductibility follows from inclusion here.
